### NOTICE OF PRIVACY PRACTICE

THIS NOTICE DESCRIBES HOW HEALTH INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AHD HOW YOU CAN GET ACCESS TO THIS INFORMATION.

PLEASE REVIEW IT CAREFULLY.

THIS PRIVACY OF YOUR HEALTH INFORMATION IS IMPORTANT TO US.

#### OUR LEGAL DUTY

We are required by applicable federal and state law to maintain the privacy of health information. We are also required to give you this notice about our privacy practices, our legal duties, and your rights concerning your health information. We must follow the privacy practices that are described in this Notice while it is in effect. This Notice takes effect 6-1-2014, and will remain in effect until we replace it. We reserve the right to change our privacy practices and the terms of the Notice at any time; provided such changes are permitted by applicable law. We reserve the right to make the changes in our privacy practices and the new terms of our Notice effective for all health information that we maintain, including health information we created or received before we made the changes. Before we make a significant change in our privacy practices, we will change this Notice and make the Notice available upon request. For more information about our privacy practices, or for additional copies of this Notice, please contact us using the information listed at the end of this Notice.

## USES AND DISCLOSURES OF HEALTH INFORMATION

We use and disclose information about you for treatment, payment and healthcare operations. For Example:

Treatment: We use or disclose your health information to a physician or other healthcare provider providing treatment to you.

PAYMENT: We may use and disclose your health information to obtain payment for services we provide to you.

Healthcare Operations: We may use and disclose your health information in connection with our healthcare operations. Healthcare operations include quality assessment and improvement activities, reviewing the competence or qualifications of healthcare professionals, evaluating practitioner and provider performance, conducting training programs accreditation, certification, licensing or credentialing activities.

Your Authorization: In addition to our use of your health information for treatment, payment or healthcare operations, you may give us written authorization to use your health information or to disclose it to anyone for any purpose. If you give us an authorization, you may revoke it in writing at any time. Your revocation will not affect any use of disclosures permitted by your authorization while it was in effect. Unless you give us a written authorization, we cannot use or disclose your health information for any reason except those described in this Notice.

To Your Family and Friends: We must disclose your health information to you, as described in the patient Rights section of this Notice. We may disclose your health information to a family member, friend or other person to the extent necessary to help with your healthcare or with payment for your healthcare, but only if you agree that we do so.

Personal Involved in Care: We may use or disclose health information to notify, or assist in the notification of (including identifying or locating) a family member, your personal representative or another person responsible for your care, of your location, your general condition, or death. If you are present, then prior to use of disclosure of your health information, we will provide you with an opportunity to object to such uses or disclosures. In the event of your incapacity or emergency circumstances, we will disclose health information based on a determination using our professional judgment disclosing only health information that is directly relevant to the person's involvement in your healthcare. We will also use our professional judgment and our experience with common practice to make reasonable inferences of your best interest in allowing a person to pick up filled prescriptions, medical supplies, x-rays, or other similar forms of healthcare information.

Marketing Health-Related Services: We will not use your health information for marketing communications without your written authorization.

Required By Law: We may disclose your health information when we are required to do so by law.

Food and Drug Administration (FDA)-Regulated Products and Activities: We may disclose protected health information, without authorization, to a person subject to the jurisdiction of the FDA for public health purposes related to the quality, safety or effectiveness of FDA-regulated products or activities such as collecting or reporting adverse events, dangerous products, and defects or problems with FDA-regulated products.

Abuse or Neglect: We may disclose your health information to appropriate authorities if we reasonable believe that you are a possible victim of abuse, neglect, or domestic violence or the possible victim or other crimes. We may disclose your health information the extent necessary to avert a serious threat to your health or safety of the health or safety of others.

National Security: We may disclose to military authorities the health information of Armed Forces personnel under certain circumstances. We may disclose to authorized federal officials health information required for lawful intelligence, counterintelligence, and other national security activities. We may disclose to correctional institution law enforcement official having lawful custody of protected health information of inmate or patient under certain circumstances.

Appointment Reminders: We may us or disclose your health information to provide you with appointment reminder (such as voicemail messages, postcards, or letters).

Sign-in Procedures: Our office uses either a computer terminal or a paper sign-in sheet for patients use in signing in upon arriving for a visit. Several patient names may be visible to other patients at this time. No other health information is used or disclosed in this procedure.

Treatment/Reception Area: Discussions of health information between doctors, assistants, patients, and clients may be overheard by other patients and clients.
